Feedback / Suggestion
we are collecting feedback form our alumni regarding course content, teaching learning process, curriculam/syllabus/evaluation process.
Teacher's presentation and communication skills and subject knowledge and interaction with the student is good. Teacher's knowledge on usage of ICT is good. Hence, the felt that more facilities has to be done in the classroom. The reference books are very much available in library whereas the journals are very megre in library. they suggested to increase the number of journal in library. regarding the syllabus they felt good and their expectations fullfilled. they suggested that few changes required in syllabi to meet out the competitative examinations.
Aims and objectives of the syllabi is very clear. The faculty had pasitive opinion in the syllabus was suitable to the course prescribed and was alos need based. Teacher opinioned that the syllabi enriched their subject knowledge and also updated to recent scenario taking into consideration. they also felt that the books in the syllabi are up to date in nature. they also said that due weightage for employment opportuniites are <u>provided in curriculam development.</u>
parents are satisfied with the good infrastructure of the college and have found that it to be safe and secure for their children. They believed that the children have good teaching experience in the college as a result of the good knowledgeable faculties teaching the children. they also felt that more consentration on the placement and <u>internship opportunities of the students.</u>
suggested that the periodical changes has to be made in syllabus to face the current challenges.
