1. ACTIVITIES REFLECTING THE GOALS AND OBJECTIVES OF THE INSTITUTION:

INCEPTION:

Thiruvalluvar Government Arts College, Rasipuram situated in a sprawling campus of 40.05 acres of land has been providing quality education since 11th July 1968. This Co-educational college, received the sanction from the Government of Tamilnadu in 1968 (G.O.M.S.No.690 dtd. 09.05.1968) as a Non-Autonomous Institution. The college was started with five pre- university courses. Within a year it was upgraded as a degree college in order to provide education to the students of the nearby villages who were economically backward. Local philanthropists were generous enough to donate liberally to the establishment of the college. The college was functioning in an efficient manner, paving way to the introduction of many new courses. The new premise was constructed in the year 1971.

During the year 1985-86, Evening College was started with B.A., History to provide opportunity to the employed people. A separate building was constructed in 1999 – 2000 to accommodate the increasing demand of the Computer Science course. To meet the growing needs of the day, a Self- financing wing was started in the year 2004 with three courses viz. B.A., Tamil Literature, B.Com and M.Sc., Chemistry. In addition to these courses, M.Sc., Mathematics and M.A., Public Administration courses were started in Self – financing wing in the academic year 2005 – 06. All these courses were upgraded as aided courses in 2009 – 10. Further, M.A Tamil and M.Com were introduced in 2011-2012.

In the academic year 2012-2013, one UG course namely B.Sc. (Nutrition and Dietetics), five PG courses namely M.A. English, M.A. History, M.A. Political Science, M.Sc. Physics, M.Sc. Computer Science, five M.Phil Programmes - Tamil (Full Time / Part Time), Commerce (Full Time / Part Time), Mathematics (Full Time / Part Time), Physics (Full Time / Part Time), and Chemistry (Full Time / Part Time), M.Phil. Political Science (Full Time) and three Ph.D Research Programmes - Tamil (Full Time / Part Time), Mathematics (Full Time / Part Time) and Chemistry (Full Time / Part Time) were introduced. During the academic year 2014-2015, B.A., Economics, M.Phil., History and M.Phil., Ph.D. English (Full Time / Part Time) programmes are introduced.

VISION

“Reshape the Rural Youth”

MISSION

- To admit the rural students on priority so as to educate them with the academic and moral values which will enhance their abilities to secure a better future.

GROWTH OF THE INSTITUTION

Having its humble beginning in 1968, Thiruvalluvar Government Arts College opened its doors for students with five pre-university courses. Due to the consistent and conscious efforts of the Institution, it has grown in strength and success over the years.

The College has had an excellent and consistent academic record right from the beginning, producing Rank Holders at the University Level from the very first batch of students. The College has well-qualified, dynamic and dedicated staff whose sincere contribution towards the overall well being of the College has been unsurpassed. They are responsible for the rigorous academic climate that prevails on the campus.

The College maintains its quality consistently by updating the curriculum within the limitations of the University by articulating its perspective during the Board of Studies Meetings. The curriculum is delivered to the students through efficient faculty members who make use of multiple methodologies to transfer the information. The Assessment of the students is done regularly to evaluate their knowledge-capacity and the college also takes care of the overall personality development of all its students. It takes the diversification of the students into account and addresses to the needs of the students with different levels of motivation and competency.

As far as Admission policy of the college is concerned Government Guidelines are strictly followed in such a way as to give adequate learning opportunities to the women abundant for the students who excel in sports. Today, after 46 years of its establishment, the College offers a wide range of courses in order to suit the needs of more than 2600 students students, socially-deprived students and physically-challenged students. Opportunities are including 10 UG Programmes, 10 PG Programmes, 7 M.Phil Programmes and 4 Ph.D Programmes. Now, the college offers 10 UG, 10 PG, 7 M.Phil, 4 Ph.D programmes in Shift I, 3 UG Courses in Shift II and 1 UG Course in the Evening college. The college was Re-Accredited by NAAC in 2012 and given B Grade.

OBJECTIVES:

- ❖ To provide quality education, to produce better results.
- ❖ To promote the research activities.
- ❖ To encourage the faculty members and students to publish papers in the peer reviewed journals.

- ❖ To conduct seminars/conferences/workshops to interact with the subject experts and to update the knowledge.
- ❖ To introduce M.Phil and Ph.D courses in Computer Science Department.
- ❖ Planned to establish Physical Chemistry Lab and Research Lab in Chemistry Department.
- ❖ Planned to establish Physiology, Microbiology Lab and Biochemistry Lab.
- ❖ To admit students for M.Phil (Public Administration)
- ❖ To submit the proposal for major project to various funding agencies like NBHM, DST, CSIR, UGC etc.
- ❖ To make the effective use of the Parent Teacher Association in the overall development of college.

2. NEW ACADEMIC PROGRAMMES INITIATED

The Government has sanctioned M.Phil. in Public Administration (Full Time / Part Time), M.Phil in English (Full Time/Part Time), Ph.D. Physics (Full Time / Part Time) and B.A Economics. This course has been commenced in the academic year 2015-2016.

3. INNOVATIONS IN CURRICULAR DESIGN AND TRANSACTIONS

- **Bridge Course** – As per the instruction of Tamilnadu Government, the Bridge Course is conducted at the beginning of the academic year for the welfare of the students.
- **Quiz Club** - College Quiz Club was started on 05.02.2010 for both UG/PG students. The main objective of this Club is to train the students to get through various competitive examinations. Every Friday one hour Quiz Program is organized by the Quiz Club Committee members. At the end of each academic year, winners are given prizes in order to encourage them.
- **Language Lab** - Language Lab consists of 10 systems with self-learning packages. The students are allowed to use the systems. This enhances their way of learning. Language lab promotes the language learning attitude among the students. It helps the students to develop their Communication Skills and gives them self-confidence to face the highly competitive world.
- **Drama Club** - Being an energetic and active club of the college, this club fine tunes the talents of the students. Being a rural college, faculty from the Department of English put their relentless efforts to train the students to write dialogues and to enact drama, skit, etc. This club acts as a platform for the students to bring out their hidden talents / potentials to the limelight.
- **English Literary Association (ELA)** - English Literary Association (ELA) is inaugurated in the beginning of every academic year. Many competitions like

Oratorical, Word Formation, Slogan Writing, Quiz, Drama, etc are conducted. The Winners are given prizes and certificates in the Valedictory Function at the end of every year.

- **Word Formation Activity** - In order to enrich the Vocabulary of the students, this activity is conducted once in a month for English Literature students. A particular word is given to each class and the students are asked to frame as many meaningful words as possible. This creates an interest among the students and the students find many words within the given time. At the end of each year, the winners are appreciated by Certificates and Prizes.
- **Slogan Writing Activity** - To kindle the creativity of the students, Slogan writing is conducted once in a Semester. It helps the students to ponder over the title given and to present the slogan with a very short and (crisp words) precise.
- **Reading club** - The impact of media has reduced the reading habit among the youngsters. In order to inculcate the reading habit, the faculties of the Department of English encourage the students of English Literature to buy and read the newspapers daily. For this an hour is allotted in the Time Table and the class Advisor of each class, both UG and PG, has to monitor the class. This helps the students to learn many words, to communicate in a easy way, to correct their pronunciation which paves the path for the successful communication.
- **Language Games** - Language Games are conducted in the Part-II English classes and UG English Literature classes. These games help the students to learn the language with fun and frolic. It creates interest among the learners in learning the language without tears. It removes inhibition, kindles creative thinking among the young learners.
- **Remedial Course** - This is a special feature of the college, since it identifies the slow-learners and helps them to overcome the difficulties in learning. The classes are conducted after the college hours.
- **College Magazine** - The College Magazine is one of the most remarkable platforms for the creative exhibits of the students. It is instrumental in bringing out the highlights of the college.

4. INTER - DISCIPLINARY PROGRAMMES STARTED

- Technical programmes were offered by SRG Polytechnic under the twin degree system.
- Personality Development classes are being conducted.
- Non Major Elective Courses are introduced by the University.

UG Course

Non Major Elective – I

S.No	Offering Department	Receiving Department	Topic

5. EXAMINATION REFORMS IMPLEMENTED

- Choice Based Credit System has been introduced.
- Assignments were given for each paper.
- Seminars are conducted.

6. CANDIDATES QUALIFIED NET/SET/GATE ETC.

- V. Sudha of M.Sc Chemistry qualified GATE conducted on January 2015 and CSIR-JRF conducted on December 2014.

7. INITIATIVE TOWARDS FACULTY DEVELOPMENT PROGRAMME

Faculties were sent to International Seminar, Workshops and Training programmes.

34. PERFORMANCE IN SPORTS ACTIVITIES

The Department of Physical Education has been very effective since the establishment of the college. To keep up the same, the enthusiastic and energetic students have been identified and they were all well trained to participate fiercely in the various games and sports competition held in and around the college for excellent achievement of the academic year. The selection of the sports students was made on their estimable particularly their involvement, dedication and aspiration parallel to the performance of academic career. The total trained students have been provided better opportunity to show their caliber in the intercollegiate tournament like Hockey, Table Tennis, Cross Country, Football, Badminton, Chess for men and women, kho-kho for men and women, kabaddi for men and women, Hand ball, Volley Ball, Athletics, Ball Badminton for men and women and weight lifting. In the way of proving their performance, the college team of kho-kho (M) has won the first prize in the University level tournament. They have succeeded by dint of perseverance and sheer hard work.

35. INCENTIVES TO OUTSTANDING SPORTSPERSONS

1. Students are recommended for sports scholarship
2. T.A and D.A is provided to competitors

36. STUDENTS ACHIEVEMENTS AND AWARDS

Academic:

DEPARTMENT : MATHEMATICS

1. Research Scholars namely Mr.T.Kalaimani & Mr.S.Arunagirinathan participated in the workshop on “Problem solving workshop for CSIR - NET Examination” conducted by Bharathiyar University during 5th May-19th June, 2014.
2. Research Scholar Mrs.J.Kavitha attended in the International Workshop on “Discrete Integrable Systems” conducted by IISC, Bangalore from 09.06.2014 to 14.06.2014.
3. Research Scholars namely Mr.T.Kalaimani & Mr S.Arunagirinathan participated in the International Conference on Special Functions and Their Applications conducted by Society for Special Functions and Their Applications in Thapar University, Patiala, Punjab during 16-18, 2014.
4. Research Scholar Mr.T.Kalaimani attended the visiting scholar programme under S.T.E.M. on “Number Theory Project” in Harish – Chandra Research Institute, Allahabad, from 20.10.2014 to 10.11.2014.
5. Research Scholar Mr.T.Kalaimani participated in the DST Sponsored National Conference on Recent Developments in Special Functions and their Applications

conducted by Ramanujan Society of Mathematics and Mathematical Sciences, TDPG College, Jaunpur, Uttar Pradesh, from 02.11.2014 to 06.11.2014. He presented a paper entitled “Solutions of the Pell Equation $x^2 - (a^2b^2c^2 + 2ab)y^2 = N$ when $N \in \{\pm 1, \pm 4\}$ ”.

6. Research Scholar Mr.T.Kalaimani attended the Annual Foundation School – I conducted by IIT Madras, Chennai, during December 1-27, 2014.
7. Research Scholar Mr.T.Kalaimani attended the Symposium on Mathematics in the day of Ramanujan’s Birthday (22.12.2014), IIT Madras, Chennai, India.
8. Research Scholars participated in the 2 days Third National Conference on “Advances in Differential equations and applications” conducted by Periyar University, Salem during December 4th & 5th 2014.
9. Research Scholar Mrs.J.Kavitha participated in the International conference on “Mathematics and its Applications” held during December 15-17, 2014 at University College of Engineering, Villupuram and also presented a paper entitled “Periodic solutions of Non autonomous Discrete Time Predator- Prey model with Hassell-Varley Type Functional Response”.
10. Research Scholars Mrs.J.Kavitha and Mr.T.Kalaimani participated in the International conference on “Mathematical Methods and Computation” conducted by Jammal Mohamed College (Autonomous), Tiruchirappalli, during Jan 22 & 23, 2015. In this conference, Mrs.J.Kavitha presented a paper entitled “Existence of Positive Periodic solutions of Discrete Time Periodic delay Predator- Prey System with Control”. Mr.T.Kalaimani presented a paper entitled “Solutions of the Pell Equation $x^2 - (a^2b^2c^2 - 2ab)y^2 = N$ when $N \in \{\pm 1, \pm 4\}$ ”.
11. Ph.D. Scholars, M.Phil Scholars and M.Sc Students participated in the National conference on “Mathematical Applications in Engineering and Technology” conducted by Sacred Heart college during February 11 & 12, 2015. In this seminar, Ph.D Scholar Mrs.J.Kavitha presented a paper entitled “Stability of fractional Prey-Predator model with an alternative food for the Predator” and Mr.S.Arunagirinathan presented a paper entitled “A fractional order nonlinear dynamical model of interpersonal relationships using Homotopy Perturbation Method”.
12. Research Scholars Mrs.J.Kavitha, Mr.T.Kalaimani and Mr.S.Arunagirinathan actively participated in the workshop on “Science Academies Lecture Workshop On Applicable Mathematics” conducted by K.S.R college of Arts and Science (Autonomous), Tiruchengode (Sponsored by Indian Academy of Sciences, Bangalore, Indian National Science Academy, New Delhi, The National Academy of Sciences, Allahabad) from 12.02.2015 to 14.02.2015.

13. Research Scholars Mr.T. Kalaimani & Mr.S.Arunagirinathan are participated by Advanced Instructional School on Naïve Set theory and its Applications conducted by National Center for Mathematics, Mumbai in University of Kashmir, Srinagar from 13.04.2015 to 02.05.2015.
14. Research Scholar Mr.T.Kalaimani selected the Annual Foundation School – II conducted by IISER, Trivandrum, during 11th May to 6th June, 2015.
15. Mr.G. Prakash, M.Sc Mathematics selected Summer Programme in Mathematics (SPIM)-2015 at HRI, Allahabad during 8-26th June 2015.
16. Research Scholar Mr.T.Kalaimani selected the Annual Foundation School – III conducted by HRI, Allahabad, during 29th June to 25th July, 2015.
17. Research Scholar Mr.S. Arungirinathan selected the Partial Differential Equations of Fractional Order conducted by TIFR, Bangalore during 6-18th July 2015.

DEPARTMENT : CHEMISTRY

18. M.Phil Scholars S. Eswari, S. Kavitha, S. Sangeetha, M. Jayaraman and R. Prabu has attended National seminar on “Advanced Nanomaterials for Functional Applications” held at Kandasamy Kanders College, Paramathy Velur on 12th and 13th March 2015.

DEPARTMENT : NUTRITION AND DIETETICS

19. III B.Sc., Nutrition and dietetics students attended 15 days dietary internship training programme in Gopi memorial hospital, Salem from 01.12.2014- 15.01.2015.
20. III B.Sc., Nutrition and Dietetics students attended 15 days Food Processing training in AAVIN milk dairy, Salem from 30.07.2014 – 12.08.2014.

DEPARTMENT : PUBLIC ADMINISTRATION

21. M.Kaladevi achieved University I rank & Gold medal.

DEPARTMENT : POLITICAL SCIENCE

22. P.Dharmalingam achieved University I rank & Gold medal.

DEPARTMENT : COMMERCE

DEPARTMENT : COMPUTER SCIENCE

33. Velmani, II M.Sc, got placement in SBI
34. Vasanth, III B.Sc, completed the entry level bank exam.

37. ACTIVITIES OF THE GUIDANCE AND COUNSELLING UNIT

The Placement cell is functioning well in the campus for the benefit of the student community.

1. Ramakrishna Mission, Salem Conducted one Training program for 100 selected students of final year UG and PG course on 24.07.2014 and 25.07.2014.

Speakers : Mr.K. Krishnamoorthy, Ltd, Bank Manager Chennai.
Mr.P. Sethuraman, Ltd, Bank Manager Chennai.

The certificates were issued by the Principal Dr.T.R. Ganashan, TGAC, Rasipuram.

2. Books supplied by the Ramakrishna Mission are
 - (i) Personality Development
 - (ii) How to face an interview author. Swami Vivekananda for the attended participants.
3. Training program for competitive exams:

Conducted by Dr.A. Pricilla Jayakumari, Associate Prof of Physics

Resource Persons: 1. Dr. T. Manikantan, Asst.Prof of Mathematics.
2. Dr. V. Suganthi, Asst. Prof of English.

in the middle week of October 2014.

4. Nearly 300 Students attended various campus drives (CTS, TCS, WIPRO, TNQ, Tech Mahendra, etc) at various nearby Colleges.

5. Campus Drive was conducted in our college campus in association with the District Employment office, Namakkal. Nearly 800 public and our college students were participated and some of our students were selected in the Eureka Forbes Ltd. Salem.

Candidate selected in various campus drives

1. P. Balakrishnan – Infosys, Bangalore III B.Sc. Physics (T/M).
2. T. Valarmathi – TNQ, e-publishing company Chennai. II M.Sc. Physics.
3. S. Gayathri – TNQ, e-Publishing company Chennai. II M.Sc. Physics.
4. V. Meenabharathi, Gope e-Knowledge publishing Ltd. Salem, II M.Sc. Chemistry.
5. N. Brindha, Gope e-Knowledge publishing Ltd. Salem, II M.Sc. Chemistry.
6. U. Dharmalingam, Gope e-Knowledge publishing Ltd. Salem, II M.Sc. Chemistry.

38. PLACEMENT SERVICES PROVIDED TO STUDENTS

Students were selected in the campus drive in 2014 are

S.No	Name of the student	Batch	Company
1	U. Dharmalingam, M.Sc.Chemistry	2013- 2015	GOPE e-knowledge Pvt. Ltd., Kakapalayam, Salem.
2	V. Meenabharathi, M.Sc.Chemistry	2013- 2015	GOPE e-knowledge Pvt. Ltd., Kakapalayam, Salem.
3	N. Biruntha, M.Sc.Chemistry	2013- 2015	GOPE e-knowledge Pvt. Ltd., Kakapalayam, Salem.

39. DEVELOPMENT PROGRAMMES FOR NON – TEACHING STAFF

- Orientation is given by the superiors
- Training on the use of computers was given for all non teaching staff of the college by the experts from teaching faculty. The main attention of the training was on the use of MS office, Software used for the admission process and salary bill preparation and internet service.

PART – C

PLANS OF THE INSTITUTION FOR THE ACADEMIC YEAR 2015-2016

All the Departments have been asked to prepare a year plan for the academic year 2015 – 2016. They have submitted their reports. Based on the reports, the following are the focal points of the year plan.

Department of Tamil:

1. Planning CICT – Seminar on Coming Months.
2. Ghahitya Academe – New Delhi – Programme on Coming years about ‘Modern Tamil’.
3. Semmozhi Tamil Aaivu Maiyam, Chennai – Planning Seminar Three days.

Department of Public Administration:

4. From 2014-2015 Academic year we are going to admit M.Phil Students.
5. We will provide special coaching for TNPSC Examinations.
6. We will provide special coaching for NET/SET Examinations.
7. We have to plan organize one day special Training programme for civil service Examinations.

Department of Political Science:

8. Proposal submitted to UGC for financial assistance to conduct a National Seminar on THIRUKURAL during the academic year 2015-2016.
9. Planning to apply one Major Project to UGC
10. Planning to apply for Research Award to UGC

Department of Commerce:

11. Planning to conduct UGC sponsored National Seminar in the academic year 2015-2016.

Department of Mathematics:

12. To submit the proposal for minor project to various funding agencies like DST, UGC etc
13. To conduct a National Level Seminar getting sponsorship from UGC & other funding Agencies.
14. To organize a series of special Lectures in various thrust areas of Mathematics.
15. To purchase more books, current Journals (Indian and Foreign), Back volumes of Journals, magazines and E-information Resources like CD's/DVD's and online Journals.

Department of Chemistry:

16. Planed to establish Physical chemistry Lab and Research Lab.

Department of Nutrition and Dietetics:

17. Planned to establish Physiology and microbiology Lab and bio chemistry Lab.

Department of Computer Science:

18. To apply for M.Phil and Ph.D. courses.
19. To organize National and International level Seminars, workshop and conference, Technical symposium.
20. To get funded research project and motivate the students
